DWG NUMBER	09MARITZA0B-07

Type M

date sheet

media specification	Raw flue gas
Design temperature ???	refer to 09MARITZA0B-00
Design pressure ?KPa?	refer to 09MARITZA0B-00
Axial compensation (mm)	refer to 09MARITZA0B-00
Lateral compensation (mm)	refer to 09MARITZA0B-00

Non—metallic expansion joint installation instructions?
1.Installing party conduct the ground assembly of the non—metallic expansion join
2.Installing party are in charge of lifting and positioning of non—metallic expansion joint, and welding it with duct.;
3. Installing party install the cover of the non—metallic expansion joint.

No	Item	material	notes
6	Flange		
5	Back up bars	Q235B(required SJ235)	thickness8mm
4	Baffle plate		
3	insulation cotton	Aluminum silicate cotton blanket	
2	Skin	Fluorine rubber	thickness4.0mm
1	Screw bolt assembly	carbon steel, galvanization	M16?55
